A MESSAGE FROM THE OFFICERS AND AGENTS

This issue honors the role of labor in shaping our nation's story—from the early fight for justice to the everyday work that keeps our communities going. Working people have always been at the heart of real change. Teamsters Local 773 remains committed to that legacy. Each one of you contributes to something bigger through your dedication and solidarity.

LABOR'S ROLE IN AMERICAN INDEPENDENCE

Workers have played a foundational role in shaping American independence, both in the 18th century and in every chapter since. While the Revolutionary War is often remembered for its generals and declarations, it was laborers—blacksmiths, shipbuilders, farmers, and artisans—who kept the colonies running and supplied. They organized boycotts, resisted unfair treatment from British authorities, and demanded a voice in how they lived and worked.

As America grew, so did the labor movement, rooted in the same values of liberty, justice, and dignity. From the early trade guilds to the rise of modern unions, workers have continued to push for rights that reflect our country's core ideals: safe workplaces, fair wages, and collective power. Teamsters Local 773 continues this proud tradition, standing with those who know that freedom must also mean economic fairness and protection on the job.

If you are a member of Teamsters 773, you carry forward a legacy built on action, courage, and unity. This July, as we celebrate Independence Day, let us also celebrate the contributions of working people, past and present, who fought for more than just independence from a king. They fought for dignity, opportunity, and respect. That is the work we continue today.

SUMMER SAFETY CHECKLIST

The summer heat is serious business—whether you're indoors or outside, your safety comes first. Keep this checklist visible on-site and review it with your team:

- ✓ Stay hydrated
- ✓ Take regular breaks
- ✓ Wear breathable PPE
- ✓ Know the signs of heat exhaustion

Stewards and supervisors: post this list and lead by example. We look out for each other.
